

# **INSTRUCTIONS for RMS Mix**

## **Once Upon A Mattress Rehearsal Software**

### **NOTES:**

- You will need about 300Mb of space on your device to install and load the software and music for Mattress
- Once you have the app installed, you will have to create an account with Realtime Music Solutions (RMS) - you can use Facebook or Google or you can create your own RMS account
- When you are ready to download the Once Upon A Mattress content, **you will need THIS DOCUMENT open on your device** - there is a link below you will need to click to get the content actually downloaded to your device

### **INSTRUCTIONS:**

- 1. Download and install RMS Mix (by Realtime Music Solutions) from your app store (Apple or Android)**
- 2. Open the app -- Make sure this document is open at the same time**
- 3. Once in the app, click "Get Booked Shows"**
  - a. if this is not visible when you start the app, do the following:
    - i. Click the upper left corner (music notes)
    - ii. Click the lightning bolt
    - iii. Click "Get Booked Shows" (same at #4)
- 4. Click an option to Log in (Facebook, Google or Email) - complete this step depending on which option you choose - new browser window will open that says "Successful Login" - RETURN to the RMS Mix app**
- 5. Click OK on the message that appears that says "Success - Your sign in was successful"**
- 6. Come back to this page and CLICK THIS LINK (from your device):**  
[http://accounts.rms.biz/booking/access?app=MIX&order\\_number=CCH-007604&code=4C8801CDDA89A9F9D2C727F165D0EAFE](http://accounts.rms.biz/booking/access?app=MIX&order_number=CCH-007604&code=4C8801CDDA89A9F9D2C727F165D0EAFE)
- 7. Login again if necessary - then a page should appear with a "Success - your access to this booking has been configured"**
- 8. RETURN to the app - click OK on the pop up message that appears**
- 9. Click the Mattress Folder - it should appear under Show Management**
- 10. Click "Robin Steinhaus - Original Rehearsal..." - a warning message pops up that says show data can exceed 1Gb (ours should only take about 200Mb) - CLICK CONTINUE**
- 11. Let it download all of the content, it will take a few minutes**
- 12. Now you should be ready to use the app to rehearse all show music**
